PROTECTIVE COVENANTS

WHEREAS Evergreen Resources Ltd., Inc. is the Owner and Developer of Allen Creek Landing Subdivision located in Abbeville County, South Carolina and shown on a plat of same entitled "Allen Creek Landing" prepared by N. Wayne Reynolds, Registered Land Surveyor dated the 15th day of August, 2002 which is of record in the Office of Register of Deeds for Abbeville County in Book 55 at page 44; and

WHEREAS, Tracts 1, 3, 4 and 2 West of Osprey Road as shown on the aforementioned plat known as "Allen Creek Landing" are intended for development for residential purposes only; and

WHEREAS, it is the desired intent of Evergreen Resources Ltd, Inc. as OWNER and DEVELOPER to sell the above referenced real estate and enforce upon it certain mutual beneficial restrictions, conditions, easements, covenants and agreements and charges under a general plan or scheme of improvement for the benefit of all said lots and the future owners of said lots;

NOW, THEREFORE, in consideration of the foregoing and the benefits accruing to the present and future owners of the land included in said plat, the undersigned does hereby impose the following Protective Covenants, all of which are declared to be in furtherance of a plan for the subdivision, improvement and sale of real property and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of said real property and every part thereof, and all of which shall run with the land and be binding upon all parties having or acquiring any right, title or interest in the described property, or any part thereof, and all of which shall be applicable to the property shown on the aforementioned said plat and known as Allen Creek Landing.

1. EASEMENTS

The Developers reserve unto themselves, their successors and assigns, the following easements over each lot or parcel and the right to ingress and egress to the extent reasonably necessary to exercise such:

(a) Utilities: Ten (10) foot easements are reserved on the inside of all lot lines of all lots of Allen Creek Landing. The said ten (10) foot easements are reserved for the installment of water lines, power lines, telephone lines, cable lines, and any and all other utility lines which may be placed within the subdivision. The easement is for installation, maintenance and operation of same, including the right to install and maintain guide wires, braces, anchors, and/ or other hardware or appliances appropriate to such utilities. This easement includes the right whenever needed in connection with the use, installation, maintenance, or operation of such utilities to cut, trim and/ or remove trees and/ or the vegetation within said easements.

(b) Drainage: The developers reserve unto themselves, their successors, and assigns the right to use and allow the use of the aforescribed ten (10) foot wide utilities easements for the additional purpose of the drainage and/ or channeling of surface waters.

(c) Other Easements: Any and all other easements and rights-of-way shown on the above mentioned plat, are also reserved unto the developers themselves, their successors, and assigns.

(d) Use and Maintenance by Owners. The areas of any lots or parcels affected by these easements reserved herein shall be maintained continuously by the owner of such lots, or their successors in interest, and no structures, plantings, or other materials shall be placed or be permitted to remain upon said easements or any other activities undertaken thereon which may damage or interfere with the use of said easements for the purposes herein set forth. Improvements within such areas shall be maintained by the owner except where which a public authority or utility company is responsible therefore.

(e) Developer's Rights: No owner shall have any claim or cause of action against Developers, their successors, or their licensees, arising out of the non-exercise of

any easement reserved hereunder. Developers reserve unto themselves the right to convey the aforesaid easements to Western Carolina Telephone Company, Little River Electric Cooperative and/ or any other public utility company. The foregoing not withstanding, no conveyance by Developers shall be effective to negate the dedication the said easements from the purposes identified hereinabove.

2. SEWAGE DISPOSAL AND ELECTRICAL SERVICE

No individual sewer disposal system shall be permitted on any lot unless such system is designed, located and constructed in accordance with the requirements, standards and recommendations of the Abbeville County Health Department or such other governmental agency or authority as may be authorized by law to approve private sewage disposal systems. Approval of such system, as installed, shall be obtained from such authority.

All electrical service shall be through underground service with each lot owner to bear any and all cost of this service. No overhead service shall be permitted except where required by the utility company.

3. SUBDIVISION OF LOTS

No lot shall be subdivided or its boundary lines changed, except with the written consent of the Developers' Agent which hereby expressly reserves unto itself, its successors and assigns the right to replat any one or more lots on shown on said subdivision plat.

4. BUILDING LOCATION

No part of any building shall be located on any lot nearer than Seventy-five (75) feet to the Private Road as shown on said plat, and no part of any building shall be located nearer than ten (10) feet to any adjoining lot line. It is specifically understood and agreed, however, that a Purchaser of an irregularly shaped lot who wishes to have any of the above requirements waived because of the shape of such lot may submit to Developers' Agent a plot plan showing an alternative location for a residential structure. Approval or any deviation from the above requirements is vested in the discretion of the "Developers' Agent".

5. LAND USE AND BUILDING TYPE. LOT MAINTENANCE

(a) No lot shall be used except for single family residential uses. Only one residence shall be erected, altered, placed or permitted on any one lot. No mobile homes, house trailers, shacks or any temporary structure shall be placed on any lot, either temporarily or permanently. No lot shall be used for repair work on automobiles or other vehicles whether performed by the owner or not.

(b) All persons at any time owning a lot or lots in the subdivision shall be obligated to keep same cleaned up, mowed, or otherwise appropriately maintained so as not to be an eyesore to the development.

6. PRE APPROVAL BY "DEVELOPER'S AGENT": VARIANCES

(a) In order not to unreasonably detract from the utility and/ or the aesthetics of adjoining or nearby real estate, PRE APPROVAL by "Developer's Agent" of all Improvements and the location thereof shall be obtained IN WRITING, before commencement of construction or installation of improvements.

(b) In general, the following Guidelines shall apply:

(i) The Owner of each lot shall exercise his best judgment to see that all planned improvements conform or harmonize with existing structures, as to external design, quality and type of construction, materials, color, tree removal, location of the building site, height, grade, and finished ground elevation, and all aesthetic considerations. Concrete blocks, cinder blocks or similar type of construction material may only be permitted if they will not be visible from a street or adjoining lot.

(ii) All improvements constructed on any lot shall be made by a builder, contractor, or specialty contractor, and all improvements shall be completed with due diligence and in all cases within no longer than one year.

(iii) Each dwelling shall be BUILT ON SITE and shall have a minimum of Fourteen Hundred (1,400) square feet of heated and cooled area, exclusive of all open porches, garages, basements, and/ or walk out lower levels.

(iv) No dwelling shall be constructed containing more than 2 stories in height above the basement level. No other building or structure shall exceed the height of the dwelling, EXCEPT that a barn with a loft may be constructed on any lot exceeding 3 acres.

(c) "Developer's Agent" shall have the right to grant VARIANCES with respect to the terms of these Protective Covenants, not only with respect to this Item 6 and Items 3 and 4, but also with respect to ANY of the other provisions of these Covenants. Variances may be granted in situations where the requirements of these covenants are unduly or unnecessarily restrictive in their application to a particular lot or a particular situation due to the size, shape, or topography of the particular lot or due to other factors peculiar to the particular lot or the particular circumstances; PROVIDED HOWEVER, that "Developer's Agent" shall grant no variance which will substantially depreciate or devalue any of the lots which are subject to these covenants. The consent to one variance shall not operate to demonstrate a consent to any subsequent request for variance.

7. PROPERTY REQUIRED TO BE ENCLOSED OR SHIELDED

The following may not be kept on any lot unless enclosed in a garage or other building or so located as to not be visible from property of others or from Osprey Road:

1. Boats, trailers, and related equipment
2. Recreational vehicles, campers, trailers, and related equipment
3. Trucks (except for pickup trucks)
4. Clotheslines

8. FUEL TANKS AND GARBAGE AND REFUSE

All fuel tanks or containers shall be covered or buried underground consistent with normal safety precautions and aesthetic considerations or located so as to not be visible from property of others and from Osprey Road.

No lot shall be used or maintained as a dumping ground or storage area for rubbish. Trash, garbage or other household waste shall not be kept except may be kept temporarily pending disposal, if kept in underground or fully enclosed sanitary cans or containers.

9. TELEVISION ANTENNAS

No tower, satellite dish, or antennae shall be erected, constructed or maintained unless same be not visible from Osprey Road or from property of others; EXCEPT that a small, roof-mount satellite dish shall be allowed provided it is not visible from Osprey Road.

10. FENCES

No fence shall be constructed or placed on any lot which is taller than six (6) feet in height. No fence may be constructed or placed where same may interfere with or obstruct the view of the lake for any other property owner.

11. SIGNS

No sign of any kind shall be displayed to the public view on any lot except a professional sign of not more than one (1) square foot, or a sign of not more than five (5) square feet advertising the property for sale or rent, or the normal signs used by a builder to advertise the property during the construction and sales periods only.

12. LIVESTOCK AND POULTRY

No animals, livestock or poultry of any kind shall be raised or bred, or kept on any lot that is smaller than three (3) acres in size, except that dogs, cats or other normal household pets may be kept, provided they are not kept, bred or maintained for any commercial purposes. If said lot is greater than 3 acres in size, then horses and ponies only may be bred or kept (in addition to normal household pets) as long as they do not constitute a nuisance.

13. PROHIBITED PROPERTY AND STRUCTURES

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used or left on any lot at any time as a residence, either temporarily or permanently, nor will it be permissible to stockpile any form of construction materials or permit the parking of equipment on any lot which would be unsightly to the community, except during the actual time of construction of said house. No abandoned vehicles or junk vehicles or vehicle parts shall be placed upon or allowed to remain on any lot.

14. NUISANCES

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

15. DEVELOPERS' AGENT

Developers hereby delegate their authority under paragraph 15 to "Developers' Agent". Ryan R. Faulkenberry is hereby designated as "Developers' Agent". The individual serving from time to time as Developers' Agent may be changed by the execution of a document by a majority of the Developers herein and recordation of such document in the Office of the Registrar of Mesne Conveyance in Abbeville County, South Carolina.

16. TERM

These covenants are to run with the land and shall be binding upon all parties and all persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of then owners of the lots has been recorded agreeing to change said covenants in whole or in part.

17. ENFORCEMENT

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain such violation or to recover damages. The various restrictive measures and provisions of this instrument are declared to constitute mutual restrictive covenants and servitudes for the protection and benefit of each lot; failure by the undersigned or any other person or persons entitled to do so to enforce any measure or provision upon violation thereof shall not estop or prevent enforcement thereafter or be deemed a waiver of the right to do so.

18. SEVERABILITY

Invalidation of any one of these Covenants by judgment or court order shall in no wise affect any of the other provisions herein which shall remain in full force and effect.

19. MAINTENANCE OF ROADS

Evergreen Resources Ltd., Inc., retains the right to dedicate (or not dedicate) the roadways within Allen Creek Landing Subdivision as public roads. In the event said roads are taken into the County or State road system, maintenance shall be by the County or State. Until and unless that occurs, the following paragraphs shall apply to Allen Creek Landing. The roads are gravel, private and are not the maintenance responsibility of Abbeville County.

There shall exist an Allen Creek Landing Road Association which shall exercise control over all roads and entrances in Allen Creek Landing. Each person owning a lot in Allen Creek Landing by virtue of same, shall be entitled to a vote in regard to the operation and maintenance of said road and entrance. All repairs, maintenance, operations or other matters pertaining to said road shall be by a majority vote of the Association; provided, however, all lot owners in Allen Creek Landing shall have the right to use said road in an uninterrupted manner at any time; provided further, however, that all roads in Allen Creek Landing must be open to the public for at least one hour each and every day.

Evergreen Resources Ltd., Inc., for each lot within Allen Creek Landing hereby covenants and each owner of any lot acquired by acceptance of a deed thereof, whether or not it shall be so expressed in said deed, is deemed to covenant and agree to pay to Allen Creek Landing Road Association any special assessments for capital improvements, repairs, or maintenance. The special assessments, together with interest, cost and reasonable attorney's fee, shall also be the personal obligation of the owner of any such property at the time when the assessment fell due. The personal obligation or delinquent assessment shall not pass to his successors in title unless expressly assumed by said successors. This special assessment can never be more than _____ share of the cost of repairs and maintenance of the roads in Allen Creek landing Subdivision, per individual lot.

An assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate of twelve (12%) percent per annum. The Association may bring an action at law against the owners personally obligated to pay the same or foreclose the lien against the property. No owner may waive or otherwise escape liability from the assessment provided for herein by non use of the road or abandonment of the lot. The assessment constitutes a lien on the property, however, it shall be subordinate to any first mortgage lien or second mortgage lien. Any sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer, however, no sale or transfer shall relieve any previous lot owner from his personal obligation to pay the assessment according to these covenants.
